34 In [3] of References read "12" for "11."
19 In (2.5) read "f_{2}(\lambda)" for "f_{h}(\lambda)."

This alteration brings about the following:

19 In (2.6) and (2.7) read "(q(\cdot)f_{h}(\lambda)+g(\cdot))f_{2}'(\lambda)" for "g(\cdot)+g(\cdot)f_{2}'(\lambda)."
26 In (3.15) the right-hand side should be changed into
"(a^{(1)}(\cdot, \lambda)f_{h}(\lambda)+a^{(2)}(\cdot, \lambda))f_{2}'(\lambda)."
29 On lines 12 and 18 from the bottom read "f_{j}(\lambda)" for "f_{i}(\lambda)."
29 In (3.22) the term in the square brackets should be replaced by"(a^{(1)}(\cdot, \lambda)f_{i}(\lambda)+a^{(2)}(\cdot, \lambda))f_{2}'(\lambda)."
30 The estimate for u_{i}(x, \lambda) should be replaced by
\[ |u_{i}(x, \lambda)| \leq Ce^{(3/2)|x|}(|a^{(1)}(\cdot, \lambda)|_{\infty} f_{i}(\lambda) + |a^{(2)}(\cdot, \lambda)|_{\infty} f_{2}'(\lambda)|
\]
\[ + (\mu + Re \lambda)^{-2}|f_{i}(\lambda)| + (1 + (\mu + Re \lambda)^{-1} + \]
\[ Ce^{(3/2)|x|}(|f_{i}(\lambda)| + |\lambda|^{-2}) f_{2}'(\lambda) |\]
\[ Ce^{(3/2)|x|}(|f_{i}(\lambda)| + |\lambda|^{-2}) f_{2}'(\lambda) |\] \((Re \lambda < 0)\)
\[ Ce^{(3/2)|x|}(|f_{i}(\lambda)| + |\lambda|^{-2}) f_{2}'(\lambda) |\] \((Re \lambda \geq 0)\).
30 On line 6 read "f_{i}(\lambda)" for "f_{j}(\lambda)"
30 On line 14 from the bottom read "f_{i}(\lambda)" for "f_{2}'(\lambda)."

Professor S.T. Kuroda also kindly pointed out the errors.
